How to Lose Strikes

ASB understands that running a club can be difficult and stressful at times. Unfortunately, your club may have lost strikes along the way. There are, however, numerous ways and opportunities for your club to lose strikes which are listed below. Please have you and your club do one of the following. If you have an idea that is not mentioned, please contact a Commissioner of Clubs.

- Have one extra club meeting each month for the next two months.
- Hold a small-scale fundraiser that will be to the benefit of Canyon High School
- Have at least 3 club members volunteer at a Campus Beautification Day event.
- Have your club assist with the set-up and clean-up of Club Carnival.
- Gain 5 more members.
- Have at least 3 club members volunteer at a school event.
- Have at least 3 club members volunteer at an event outside of school.
- Have one extra club meeting each month for the next two months.
- Hold one more club event in addition to the required annual club event.
- *Sometimes* applicable: Write a brief letter explaining the circumstances that made it impossible for your club to follow through with the action that would have made your club not receive a strike (e.g., Your club could not send two representatives to an Inter-Club Council Meeting because the two assigned members had to take an exam for class.).
- Anything else **WITH** the approval of a Commissioner of Clubs.

Do not forget to fill out the accompanying form stating what you did to lose your strike.

Remember, having a strike-free club is always a good thing.
