Parking Permit Rules and Regulations

- Student **MUST PRESENT** a valid CA Driver's License when submitting application. **NO PERMITS ACCEPTED.** Due to limited parking availability, priority is given to students with licenses. In case of emergency, a student must be able to legally move his/her vehicle. When a student has a DL then they can apply if space is available.
- Senior students will be given first priority. Juniors will receive permits through a lottery process after school begins if space is available. Freshman and sophomores are not allowed to purchase parking permits due to space availability.
- Students issued Parking Permits will **ONLY** be allowed to park in the CHS student parking lot.
- Any student parking in a staff or visitor parking space will have their permit revoked.
- **Students must drive safely and follow proper entry and exit procedures set forth by Canyon High School and the Campus Supervisors.**
- Do not block aisles, gates, or fire lanes. **Park only within marked parking spaces.**
- Parking Permits **MUST** be hung on the rearview mirror, and may not be removed.
- Only one Parking Permit will be issued for the vehicle on the application; permits may **NOT** be used by any student other than the name on the original application. It is the student's responsibility to update this information if it changes. If a student changes his/her primary car, the student must report to the Student Center to complete a new parking application.
- Permits **MUST NOT** be tampered with. If a student sells, makes a fake copy, or gives their permit to another student, they will lose the permit for the rest of the school year without a refund.
- **Parking permit eligibility will be reviewed at the end of each quarter. Any student with more than two detentions is subject to having his/her permit revoked and not returned until detentions are cleared. Refunds will not be issued.**

WARNING!

- **Any student misusing their parking permit, or not following the parking lot rules, are subject to having his/her permit revoked without a refund.**
- Cars without a valid Parking Permit may be ticketed or towed by the Anaheim Police Department.
- Drug dogs are authorized to search our parking lots. Student cars that are identified can be searched with student present.
- CHS hereby declares itself **NOT RESPONSIBLE** for and assumes no liability arising from fire, theft, damage to, or loss of the vehicle or any article left therein.
- A \$50 replacement fee will be imposed if a student loses his/her parking permit.

Both parties signing this agreement UNDERSTAND AND AGREE that purchasing a parking permit does NOT guarantee a parking spot. Please sign and date below, and complete bottom portion of application.
