Parking- Parking information and applications will be available at TCOB and the CHS website on Monday August 7th.

Senior Photos - Seniors must make an appointment with PSS Imaging to have your senior portraits taken. **The picture you take at TCOB is for your ID only.** PSS Imaging will take your senior portrait *in their studio* which will be used for the yearbook, graduation announcements etc. The link to the PSS Senior form and information can be found on the TCOB page of the Canyon website. Please schedule and complete your senior photo no later than December 15, 2023 (before winter break begins).

Graduation Information

Graduation & Senior Week Activities/Purchases- This information will be released in early 2024, when dates, plans and prices can be better solidified.

We hope this information helps to answer any questions you may have at this time and provide a guideline moving forward. If you have questions that aren't answered here, feel free to stop in the Student Center once school begins. We are looking forward to seeing you on campus and experiencing your Senior Year with you!

Sincerely,
